Sub: Observance of National Science Day – 2021

Sir,

It is our privilege to inform you that Tripura State Council for Science & Technology (TSCST), DST&E, Govt. of Tripura organizes different science communication activities in connection with observance of National Science Day (NSD) targeting students throughout the State every year.

This year, TSCST and Women’s College jointly will organize a central programme on NSD-2021 in the campus of Women’s College, Agartala at 11:30AM on February 26, 2021. Target audience will be the students and faculties of Women’s College and its adjacent colleges of Agartala. The theme selected by Government of India for observance of NSD-2021 is ‘Future of STI: Impacts on Education, Skills and Work’.

On this occasion, Hon’ble Deputy Chief Minister of Tripura, Secretary of DST&E and Director, Higher Education, Govt. of Tripura may likely to be present as dignitaries along with the Principal, Women’s College.

In this context, we would like to request you to kindly make it convenient to grace with your presence in the said programme as one of the dignitaries and to deliver a talk on the theme as key note speaker on February 26, 2021 at 11:30AM at Women’s College, Agartala.

With best regards.

Yours sincerely,

(Subrata Paul)
Head of Office, TSCST
